

COMPLEMENTARY BREAST DIAGNOSIS

Krakow,
Poland

INVITATION

It is our great pleasure to
invite you to the upcoming
“**COMPLEMENTARY
BREAST DIAGNOSIS**”
Conference taking place in
Krakow, Poland
13th-15th April 2017

An intense 360 degrees experience on breast imaging techniques ranging from ultrasound & mammography to tomodesitometry, MRI and PET. Breast interventions and a broad variety of multiparametric challenging cases are rounding the agenda.

This course format is brought to our partners by Adexilis Academy in cooperation with the Senologic International Society.

Please join us and get enlightened into the concept of Complementary Breast Diagnosis!
